Sprint 3 Report
Authored by: Weihao Ke

Product Name: LeapCal.
Team Name: CAP.
Revision Number: 1.0
Revision Date: November 17th, 2019.

Actions to stop doing:
CAP feels that we have nothing need to stop doing.
Actions to start doing:
CAP feels we need to communicate more. And ask for help early, when stuck in a problem, ask for helps in the group, maybe other people can help.

Actions to keep doing:
Keep on working well together. Everything is on track now, keep it up.
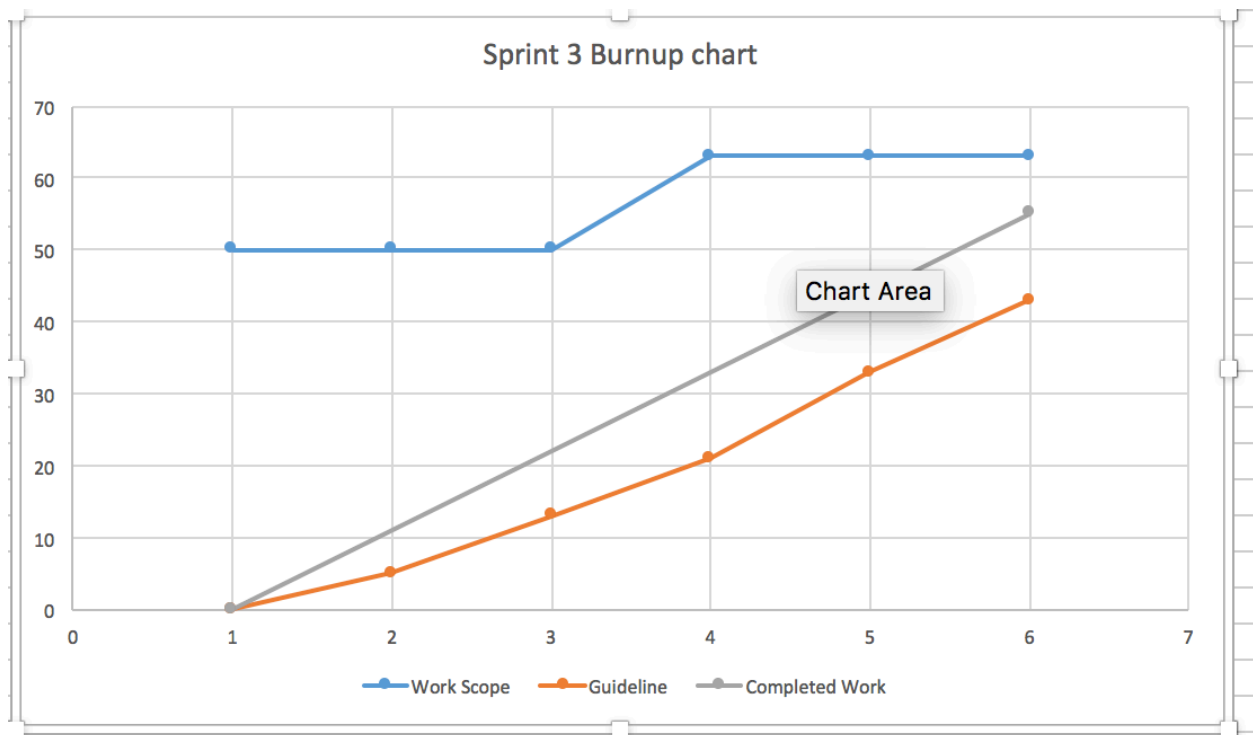

Work Completed / Not Completed:
Most of the Frontend is almost done, need unit test and functionality of icon that show user sign up or not.
Most of the Backend is almost done, just have not done the unit test.

Work Completion Rate:
 of Must Do User Storeies.   3/4
 of Should Do User Stories. 2/3

Alexander Bistagne: 9 Story points 26 hours
Matthew Johnson: 18 Story Points 35 hours
Yongsheng Cui: 9 Story Points 28 hours
Weihao Ke: 9 Story Points 28 hours
Alfredo Vicuna: 18 Story Points 40 hours
